

# INDEX

INTRODUCTION			
Marco Fioravanti			
A NEW VISION OF CULTURAL HERITAGE	Reflections after the workshop	19	
THE SAFEGUARD OF CULTURAL HERITAGE: A CHALLENGE FROM THE PAST FOR THE EUROPE OF TOMORROW		23	
Extended Summary			
Keynotes			
Carsten Paludan-Müller	Cultural heritage - and the politics of conflict, poverty, peace and prosperity"	32	
Marc Caball	Individuals, societies, cultures and health	33	
Piero Baglioni	Science for the conservation of the cultural heritage	35	
Mario Santana-Quintero	Centering the role of documentation in conserving our built heritage	36	
Philip Cooke	Innovation, creativity, green economy	37	
Session 1 THE HUMAN DIMENSION IN CULTURAL HERITAGE		41	
Rapporteur	Agostino Paravicini Bagliani	The Human dimension in Cultural Heritage	43
1.1 Cultural identity, landscape and intangible heritage			47
Agostino Paravicini Bagliani		Medioevo europeo. Medieval studies and technological resources	47
Graham Fairclough		21 <sup>st</sup> century lifestyles: landscape, heritage and urban identity	50
Pavlina Misikova		Potential of co-operation of the pan-european platform on cultural heritage and landscape	54
Jean-Paul Métailié		"Facing the landscape": how cultural heritage is took in account in natural parks of the french pyrenees	57
Bas Pedrolí		Landscape - mirror of our culture. An interdisciplinary challenge safeguarding landscape values	59
Amedeo Amedei, Rosa Valanzano, Mario Milco D'elios, Gianfranco Gensini, Donatella Lippi			
		Florence and medical humanities: intangible heritage of mankind	62
LaGeS		Public space as cultural heritage	64
Margherita Azzari, Camillo Berti, Paola Zamperlin		Wettus-wetlands atlas of tuscanry	65
Magdalena Bielenia-Grajewska		The role of cultural heritage in shaping symbolic corporate linguistic identity	66
Tommaso Martino		The history of emotions and the safeguard of cultural heritage	67
Carolina Capitanio		The historic urban landscape of Florence. Critical survey and redevelopment of the urban landscape	68
Fabio Lucchesi, Martina Angeletti, Francesco Monacci, Giovanni Ruffini, Nunziella Toscano			
		Persistence and metamorphosis in the settlements in Tuscany	70
Luigi Zangheri		Remarks on landscape	71
1.2 Arts, architecture & archaeology on material heritage			72
Alasdair Ross		Tourism and recreation versus protecting cultural landscapes and heritage in the scottish highlands	72
Claire McIlroy		The history of emotions: preserving europe's cultural heritage through interdisciplinary research collaboration	74
Gert Melville		Medieval monasteries and religious orders as laboratories of innovation for modern times	76
Camilla Mileto, Fernando Vegas		The role of restoration of heritage in the future europe: recovering the cultural landscape as an identity sign	78
Ray Bondin		Heritage is a financial asset	80
Paul Mironneau		History at museum, museum faced with history: a debate upon emotions	81
Guido Vannini, Michele Nucciotti		Light and public!	83
1.3 Written heritage, libraries, archives and other collection of social documents			86
Cristina Blanco Sío-López		Preservation and valorisation strategies through digital humanities: the case of the CVCE's enhancement of research and education in european integration studies	86
Simon Tanner		Preserving the past, imaging the future: how democratising access and generating measurable changes to people's lives is affecting preservation strategies for cultural heritage	89
Worthy N. Martin		Thematic repositories of cultural heritage - case studies to inform future research and development	92
Toby Burrows		Organizing digital resources for cultural heritage research	95
Wendy Scase		Medieval manuscript heritage: digital research challenges and opportunities	97
Cristina Dondi		The integration of provenance data for the reconstruction of the dispersed european book heritage	100
